

## Just Fourteen

I'm just a kid, I'm only fourteen,  
But I've seen things that you've never seen.

I've felt the ache, I've felt the joy,  
I've been a girl, I've been a boy.

I've seen the world through different eyes,  
I've seen the truth, I've seen the lies.  
I've seen the pleasure, I've seen the pain,  
I've seen the sunshine, I've seen the rain.

I'm just a kid, I'm only fourteen,  
But I've got dreams that you've never dreamed.

I've got a heart that's full of love,  
I've got a soul that's sent from above.

So don't you judge me by my age,  
Don't you dare put me in a cage.

I'm just a kid, I'm only fourteen,  
I'll surprise you, just wait and see.
